Education

- Undergraduate at the University of South Carolina as a Computer Science major.
- Currently living on campus in Columbia, South Carolina
- My projected graduation date is May of 2028
- My major is computer science, but I have a concentration to get into cyber security and work for the government

Experience

- I was a crew member at Autobell Carwash in West Ashley, South Carolina for about 6 months, starting In March of 2024 and ending August of 2024
- I was also a grocery stocker at Target in West Ashley, South Carolina from June of 2022 to October of 2022
- *I learned how to work in high pressure environments at Autobell.*
- I also learned how to time manage well at Target, as you couldn't have certain foods out of refrigeration for too long.
- I also worked as a cashier in Target, this taught me customer service and how to be efficient, but not rush make people feel rushed into anything.

Skills

- *Java and GitHub*
- Good at dealing with pressure
- Customer service
